NOTRE-DAME DE PARIS

Chimère

(Création de Viollet le Duc - 1850)

Dear Miss Barlow.
Greeting from a
gargoyle. Here I am eating
French bread. Mary & I spent
an interesting week in Paris.
Listened to three concerts and
absorbed plenty of atmosphere.
Are now having a go at Paris.
We plan to go to a summer
school of orchestral playing for
a week when we return.
Love from both of us to you and
Mrs. Barlow Elizabeth
